Orlando, FL – On the afternoon of **Sunday, November 16, 2008** an eyewitness attempted to report a sighting of what they believe to be that of **Caylee Marie Anthony**, the 3-year old toddler that has been missing from Orlando since June 16, 2008. The witness **first** called Law Enforcement but after two attempts and over an hour of delays they decided to try the number listed on the Help Find Caylee website. The witness contacted D&A Investigations, Inc. and provided them with information and photographic evidence.

The family e-mailed the information and photographic evidence to both the Orange County Sheriff's Department and the Federal Bureau of Investigation. "The D&A Investigations, Inc. "Team" is investigating the circumstances surrounding the disappearance of Caylee Marie, following up on all tips that come in and encourage proactive, positive participation

"The photo and information provided by the witness was disclosed to local and national media outlets over a week ago and we still have all reason to hope," said George and Cindy Anthony. The Help Find Caylee Search Team and Anthony Family are asking that you help us continue to get this photo out to your audience.
