Caylee Marie Anthony
Crime Scene Release and Anthony Residence Search Warrant

At approximately 3:00 pm the Orange County Sheriff's Office officially released the crime scene location from which the remains of Caylee Marie Anthony were recovered. After ten (10) days of exhaustive search in the wooded area at 8900 Suburban Drive the investigative teams that were assembled at the discovery sight have completed their work.

Pursuant to the release of the wooded crime scene, the Orange County Sheriff's Office returned to the Anthony residence on Hopespring Drive and executed a search warrant for recovery of items of evidentiary value. George and Cindy Anthony were present during the warrant service and were allowed to remain present.

The execution of the warrant yielded items of evidentiary value which were seized and will be properly labeled and placed into evidence by investigators.

Note:

At approximately 11:30 am Sgt. John Allen communicated to defense attorney J. Baez of our intention to release the location and afford them the opportunity to respond to the scene as they had requested. The defense team advised that they would not be responding to the scene.
