ADDITIONAL INFORMATION

I was dispatched to 202 Green Drive, in reference to the report of a missing 5 year old child. Due to the age of the child I responded to this location code 3, blue lights and sirens. D/S Bridges and I arrived on scene at the same time, 3:40. Upon our arrival I observed a white male standing in the driveway who was visibly upset. I made contact with the individual who identified himself as Ronald Cummings. Ronald told me that his daughter, Haleigh Cummings, age 5, was missing.

I asked Ronald what happened, and he told me that he had just gotten home from work, and his, "dumb bitch girlfriend" told him his daughter was missing. Ronald said that he did not know what Haleigh was wearing and that all he knew was the back door was standing open. Ronald repeatedly said that someone had taken his child and also said, "when I find him, I'll kill him." Ronald referred to a 9mm Beretta hand gun which he owned inside of his residence and said that if law enforcement found whoever had his child, he would shoot them through the back window of the patrol car. I attempted to get information from Ronald regarding Haleigh, however, due to his emotional state he was unable to provide any useful information.

I then made contact with Misty Croslin, Ronald's girlfriend. Misty told me that she had put the children to bed at approximately 8:00 P.M. Misty said that they were sleeping in her bed, and when she laid down at around 10:30 P.M. both children were still in bed. I asked Misty who the other child was, and she advised that the other child was Haleigh's brother. Misty told me that she woke up just before 3:00 A.M. to get a drink and she noticed that Haleigh was missing, however the other child was still in bed. Misty said she ran around the residence frantically looking for Haleigh, and that she noticed the back door was standing open. Misty said that she was sure the back door had been locked prior to her going to bed.

Misty said that approximately 5 minutes after she noticed Haleigh missing, Ronald arrived home. Misty said that as soon as she told Ronald Haleigh was missing, Ronald told her to call 911, which she did. I asked Misty if she ever took Haleigh on a walk, and Misty advised that she sometimes walked with Haleigh to [redacted], to visit her family.

At this time, Teresa Neves, arrived on scene. Teresa is Ronald's mother. Teresa told me that she had been called by Ronald shortly after he learned Haleigh was missing. Teresa told me that Haleigh's mother is Crystal Sheffield, however, Ronald has full custody. Teresa told me that Ronald and Crystal have not been disputing the custody of Haleigh. Teresa provided a 2008-2009 school photograph of Haleigh.

[redacted]

While I spoke with the family, D/S Bridges conducted a canvass search of the residence in an attempt to locate Haleigh, however, was met by negative results.

At this time Sgt. Greg Lavoy, Lt. Teresa Odom, and Palatka Police Department Canine Officer Chris Sorrenson arrived on scene.

Lt. Odom contacted the chain of command at the Putnam County Sheriff's Office, and initiated the missing person's unit.

Myself and Officer Sorenson initiated a track beginning at the back/side door of the residence. The track lead directly out the backdoor, and down a wooded path, as we travelled down the wooded path, we located what appeared to be a small child's foot print in the dirt. It should be noted that Ronald said Haleigh's shoes were still inside of the residence. The track lead to a pond and then back to Green Drive. At the last residence on the right side of Green Drive was a small building with a door which had been left open. I entered the building and verified that no one was inside.

The track then continued north past the residence, where we made a left turn on Monroe Avenue. We made another left onto Buchan Circle, which we followed in a loop back to Monroe Avenue. [redacted] We then made a right turn on Buffalo Bluff Road, to the railroad crossing, where we were forced to end the track, because the canine was unable to follow it any further.

I then returned to the scene, where I members of the Sheriff's Office Detective Division had already assumed the investigation.

I then transported Ronald to the CID at the Putnam County Sheriff's Office, for further interview.

The photograph of Haleigh was turned over to Kim Greenwood for the production of flyers.

At the time of this report no further action was taken by this deputy.
