**Major Incidents Reported for July 31, 2009**

**Meth Lab:**

Officers working a special enforcement detail targeting Methamphetamines located and arrested Ronald Copeland, 37, and Sasha Archer, 37, both of W. Waterloo Road. While officers were following up on a citizen's tip, Copeland gave officers consent to search his home. Officers located chemicals, glassware, tubing and other paraphernalia commonly used to manufacture Methamphetamines at Copeland's residence. Officers also recovered a .45 caliber pistol. Six children were removed from the home. Their ages of the children are 17, 11, 7, 5, 4, and 2.

Ronald Copeland and Sasha Archer were charged with Illegal Manufacturing of Methamphetamines, Illegal Assembly of Chemicals, Possession of Methamphetamines, Possession of Criminal Tools, and Drug Paraphernalia. Possession of Marijuana, and multiple charges of Felony Child Endangering. Copeland was also charged with Weapons under Disability. They were booked into the Summit County Jail.
