

ATTORNEY CLIENT PRIVILEGE

My name is John A Muhammad and im writting this letter of mine own free will — I've talked to mine new Lawyer Mr. J. Connell (in the same Law Office of Devine, Connell + Jon Sheldon P.L.C) and Mr. Connell has inform me that the appeal will reflect all the "EXCULPATORY EVIDENCE" (That you'll in Va. didn't give Peter D. Greenspun and Jonathan Shapiro + Christie A. Leary to prove mine innocent and the Judge in Maryland didn't let mine Lawyers use it even though they had it) of mine innocent and what really happen and what you'll knew and know — But lied to the America People about — So all you police and Prosecutors can stand — down — "hashing" to murdering this innocent Black man — For something he nor his son (Lee) had nothing to do with, you'll will have more than enough time to murder this innocent Black man (without me giving-up- the fight for mine innocent) once you'll get these Judges to say no to all mine appeal — no matter what The facts are that you'll knowingly lied on

two innocent Black men - so until Then
Lets Fight some more about you'll know
lies

→ Muhammad innocent and Back to
The Fight - and still on Death Row!

P.S. So if you'll can pass this on to
the Judge in mine fereal appeal
I will be Thankful!
