QUICK QUOTES FROM:

### **BILL LOEFFLER GARY ROBISON & GLEN STUBBLEFIELD**

BILL LOEFFLER

**Q. Talk about your round today.**

BILL LOEFFLER: Sure. I started off pretty poorly. I bogeyed 1, 2, and just starting to do a tumble. I was, I think I was, what, 6-over through 7. And I actually double bogeyed 7. And I managed a birdie on 8 to get it to 5 and then I just made a bunch of pars coming in until I bogeyed 13. 13 and 15 to go to 7. And then I birdied 16 and made two good pars on 17 and 18. I hung in there in tough conditions.

**Q. What effect did the cold and wind conditions have on your round?**

BILL LOEFFLER: It controlled everything. I don't think it was as cold as the morning guys, but it was still nippy. And then it was blustery winds. We couldn't figure out if we were downwind or upwind sometimes. You would be standing there and ready to hit your shot and all of a sudden the wind would totally switch. Even on putting sometimes it would, it really affected my putt on 14.

**Q. It was tough?**

BILL LOEFFLER: It was tough.

**Q. What do you have to do tomorrow and in the upcoming days to stay in the hunt?**

BILL LOEFFLER: Well, I have just, just have to show a lot of patience, I think, and try to just control my emotions a little bit and understand that it's a, I mean there are going to be bogeys out here. It's not going to be a birdiefest, so you just kind of have to stay in the moment I guess.

GARY ROBISON

**Q. Give me a quick rundown of how it went today.**

GARY ROBISON: It was difficult. I don't know, I hit a lot of good putts. Obviously got up-and-down quite a few times. I didn't make any birdies, I just made five bogeys and that was it.

But I felt pretty good about it. It's hard as it is, as difficult as it is, I haven't even seen the scores, so I don't even know what the scores are, but you definitely have to just take your medicine if you hit in the rough and then just try to make par.

It's a good half shot penalty if you hit it in the rough. But I don't know, hopefully the wind dies down a little bit tomorrow and it will be a little easier. It swirls around here a lot and that makes it really difficult.

**Q. How does that affect your round? The swirling winds?**

GARY ROBISON: I think it affects it a lot. It just seems like you're crosswind and then when you hit it then you say it's downwind and then it's just swirling from hole to hole and it's just hard to be real confident on your shots when you're doing that.

**Q. What do you have to do tomorrow?**

GARY ROBISON: Oh, I'm just going to go out and play. That's it.

GLEN STUBBLEFIELD

**Q. What do you think of the course so far?**

GLEN STUBBLEFIELD: The golf course is excellent. Of course, with the wind and the rough the way it is, it's just too much for me. But I love the golf course. I think we could have played in better conditions.

**Q. How did those conditions affect your round?**

GLEN STUBBLEFIELD: Nasty. I'm not a real good wind player anyway. And then to play in this kind of wind with this kind of rough, it was just too difficult for me.

**Q. What do you have to do to improve, do you think?**

GLEN STUBBLEFIELD: Well, practice more, I guess.
