QUICK QUOTES FROM:

### **BOB RALSTON JOEY SINDELAR & JOHN CALABRIA**

BOB RALSTON

**Q. Your impressions of the course?**

BOB RALSTON: It's a good golf course. I played well. It's a great golf course.

**Q. The changing winds play much of a factor?**

BOB RALSTON: It shifted around and it would be against the wind and by the time you hit it it would be downwind.

**Q. So club selection is tough?**

BOB RALSTON: Really tough. I hit some really good shots and come up short or hit a really good shot and have it go too far. I'm really impressed with the golf course though. It's really good.

JOEY SINDELAR

**Q. Obviously the afternoon the wind really picked up and you started off well, you were hitting some nice shots, but did the conditions really play into kind of what happened to you?**

JOEY SINDELAR: Well, this is a brutal day. Most of my pain was self inflicted, I'm sorry to report. I think that I hit it poorly and putted poorly and on a course this good you just can't do that stuff. Although, you know, you look at what went on today, just 1 or 2-under par, the usual suspects there. Great players at the top. It was a lot of work. You had to get away with a couple. You had to make some good guesses and I just wasn't very good at it today. Is so I'm going to try to grind a little bit and try to get it today.

**Q. Obviously tomorrow you're playing in the morning and the conditions might be a little easier, but obviously you need to go real low to make it to the weekend.**

JOEY SINDELAR: Well, I haven't examined cut scores. I don't know that I would have to go real low. I would think that scores are probably pretty high today. But I just have to do better than what I did today. I just wasn't up to the challenge and I, the course won today. So I got to try to get it back tomorrow.

**Q. Nice group following you though.**

JOEY SINDELAR: Oh, it was fun. Lots of good people from home. I'm sorry I gave them exactly zero birdie to cheer for today. So it wouldn't have been that much fun watching three guys kind of bleed to death out there. Although Tim hung in there nicely. But it's always nice to be around the home folks and we'll try to do better for them tomorrow.

**Q. I heard you mention how much fun you're having out here, playing with these guys, and obviously I think that the trip down to Endicott this July will be your first as a senior, is that correct?**

JOEY SINDELAR: Dick's Sporting Goods this summer will be my first trip down there as a Champions Tour guy and I look forward to that. That's going to be fun. I had a lot of great times on that golf course and it's even closer to home than this so we should have a good time there.

**Q. Obviously when the B C Open pulled out of there and seeing that town get an event like the Champions Tour, that's awesome.**

JOEY SINDELAR: I always thought that it might be even a better fit. The last handful of years as a Regular Tour event it was opposite, always opposite something and then opposite the British Open and it wasn't, it was always going to be talked about that it wasn't a great field and where is everybody and all that stuff. And I think that now that it's Champions Tour it has a chance to be its best and hopefully we won't have any floods, any more 100 year floods for another 10 years at least. And I think the course will be the way they want it and I'm sure the guys will have a great time.

**Q. Will you be doing your part to use your influence to get some of the bigger names down here, do you think?**

JOEY SINDELAR: Well on this tour it's pretty interesting because we have, we have off weeks. And guys, guys that in this part of their life have the ability to say, you know what, my son or daughter is graduating from this or that, there's stuff going on that they can afford to go do.

So if anybody asks I'll be sure to tell them that the town will be glad to have them. But I don't think I have the ability to change anybody's mind. I will tell them the food is good. We eat well at home, that's for sure.

JOHN CALABRIA

**Q. Take us through the start. Probably No. 6 there that was one swing you would like to have back and maybe that's kind of where it started as far as unraveling?**

JOHN CALABRIA: I don't want anything back. I made a great swing, it let up -- it was gusting on the tee and the wind let up, I hit a 5-iron, just hit a perfect shot right at it, went over the green and made double. Kind of changed the karma for me.

**Q. Something you really need to have going for you is karma out there. Especially when you play a course like this one with conditions and the wind blowing like this.**

JOHN CALABRIA: It's a great golf course.

**Q. When you started the day what's going through your mind?**

JOHN CALABRIA: Just wanted to have a nice time and enjoy the day and enjoy the experience. Play well. And got off to a great start which of course changes everything. Kind of a disappointing finish.

**Q. It changes things in what way?**

JOHN CALABRIA: It changes the way you feel about what you're doing. All of a sudden having that great start it's difficult not to let your mind say, wow, this is really cool, I've got some game, I'm home, I'm showing off. And it was nice to do that. And by the Grace of God I had a great start and I am thankful for that.
