QUICK QUOTES FROM:

### **DENIS WATSON & BOB CAMERON**

DENIS WATSON

**Q. Give us an opening comment on today's round?**

DENIS WATSON: It was a struggle. I didn't play as well as I would have liked. I got off to a poor start at 1. And after I got back to 1-under after 8 holes I was feeling pretty good.

But I hit pretty good tee shot at 9 and it went through the fairway and I couldn't move the ball but 80 yards with a full swing. You can get your self pretty tied up. And I was lucky to make par at 15. I just kind of hung in.

And made a bad 6 up at the hill of fame over here and it was just a battle.

I pulled my tee shot a little bit at the last hole and the wind got it and just nothing much good happened after 10. And I am getting close to hitting the ball well, so I'm hoping tomorrow afternoon will be better.

**Q. Is that the attitude you take? You put one round under your belt, you didn't shoot yourself out of the tournament.**

DENIS WATSON: Yeah, a little frustrated, but also happy that I'm not, that I didn't shoot 78 or something, which can go that way pretty fast. And so it will be interesting to see how the weather treats the players this afternoon. And the greens are still tough, even though they're a decent pace where you cannot be too defensive.

**Q. Is it harder playing a course like this, the ups and downs that you have to go through, I mean mentally?**

DENIS WATSON: Yeah, it's tough. You miss a shot you're facing potential for a double bogey pretty fast the way the rough is. At the last hole here I tried to hit one about 80 yards with a 6-iron and I didn't get the club through the grass. It almost didn't make it out of the rough. I couldn't get it up in the air because there's tree branches right front of me.

So it can get you pretty quick. And the good part is if you are hitting the

ball great and hit a lot of fairways, you know, you have your chance to shoot under par. But I didn't do that today.

**Q. Given all of that, how would you assess the setup? Fair?**

DENIS WATSON: I thought it was pretty fair today. Some of the rough was a little too long for us old guys. They're really slashing at it. I mean, when I hit it in the rough at 13, off the tee, and I hit a full 6-iron just to fly it a hundred yards. I'm not sure it should be quite that tough for us guys, it should get a little easier as we get older.

BOB CAMERON

**Q. You had a pretty good round going until the last couple holes. Can you tell us what happened there on the last couple.**

BOB CAMERON: Tried to hold the ball under the wind on the last two drives, left-to-right dogleg, wind is left-to-right. And it leaked to the right and it fanned through the fairway out, so and didn't get an up-and-down.

The last hole I over clubbed. I got it to the back and it left you with a very tough up-and-down.

**Q. How tough is this rough to penalize or even to judge getting out of it?**

BOB CAMERON: You're very lucky if you get a situation where you can gain significant yardage. There's a few holes there where you probably have to lay up short of the ditch or the water if you hate an errant drive.

So, yeah it's quite penalizing. But it's consistent length. So I'm not sure if that is quite right, because if you miss it by a foot, you're penalized the same as the guy who misses it by 60 foot. So that's the only thing I would say. But, no, it's a terrific course to play I really enjoyed it.

**Q. What were you doing the first 16 holes you were 1-under?**

BOB CAMERON: I had a couple nice birdie on 15 and 16. And I just -- those are two tough holes, the last two holes anyway as you know in history. But I'm pleased with a 72.

**Q. You didn't blow your way out of the tournament.**

BOB CAMERON: Not at all. Not at all. I'm looking forward to hopefully the next three rounds.
