QUICK QUOTES FROM:

**GREG NORMAN**

GREG NORMAN

**Q. Talk about the day.**

GREG NORMAN: Not feeling very good right now. I can tell you that. But I think that when I made birdie on 15, 16, I thought then -- I always thought I was too far behind the leaders and it didn't make any difference.

But it was nice to a point. Right up until 17 and 18.

**Q. Yesterday we talked to you that you thought five shots back was going to be tough. Was there a moment earlier in this round when everybody was starting to come back more towards you did you start to think differently or did you keep that out of your mind?**

GREG NORMAN: No, the golf course was tough. You never want to think about other people's play. If you get a little bit out of position on this golf course you pay the price.

**Q. Does it change your mindset at all about maybe playing a little more golf?**

GREG NORMAN: It might be go back the other way. It doesn't really -- it takes a lot out of you. I've done this for 35 years of my life and you just it's hard enough as it is, especially on a course like this.

I have no interest in putting a schedule together other than what I've already stated.

**Q. What was the club, the second shot on 17, what was the club and what were you trying to do with that one?**

GREG NORMAN: It was a 7-iron, a choked down 7-iron. I was just trying to chase it up about 160 yards short of the bunkers and to give myself a good pitch shot. And it came out way left.

**Q. The grass turn the club over on you?**

GREG NORMAN: Yeah, that's what it was.

**Q. The first time you played four rounds in a while and in an event of this magnitude, did you enjoy the week?**

GREG NORMAN: I always enjoy playing golf. It's nice to be out here.
