QUICK QUOTES FROM:

**JIM WHITE  
MATT SEITZ &  
MIKE SAN FILIPPO**

JIM WHITE

**Q. Was it just the wind or what is it?**

JIM WHITE: Just too rough for me. The whole thing is just ridiculous. I played terrible. I played pretty good the front and then just terrible. No game today.

**Q. Just too tough right now with the wind and everything?**

JIM WHITE: How many guys shot under par? One guy shot under par and that was this morning. So that says it all right there. If they wanted to play it tough, they got it. Five inch rough and 10 Stimp greens, it's pretty bad.

MATT SEITZ

**Q. If you could just tell us a little bit about your round, I saw you shot a 76, which is not a bad score today?**

MATT SEITZ: Yeah, the wind's blowing pretty hard. The greens were hard and fast. Started out a little shaky and then wound up hitting the ball pretty decent. Midway through the round.

I had two putting bounces, like you're going to get out here. But all in all I guess I'm happy with it.

**Q. Were you able to drive the ball with the wind? Did you have to adjust anything off the tee?**

MATT SEITZ: Oh, yeah, definitely. You had to play for the wind. Because it was blowing pretty good. Couple times I drove it through some fairways that I didn't think I could because of the way the wind was blowing. Just the whole round was just a grind because of the wind.

**Q. You hit it in into the rough, if you do that is it almost an automatic bogey?**

MATT SEITZ: No, it's a, it's almost an automatic up-and-down for par though. But that's the only way you're going to make par. Because you get in that stuff, you just work hard to try and get it between the bunkers up there somewhere short and then get it up-and-down. And then get your par. But that's not an easy task.

**Q. So you haven't played here before?**

MATT SEITZ: No, this is my first time here.

**Q. What were the greens like? I know that some of the pin placements were pretty tough, you have to be below the hole almost all the time probably?**

MATT SEITZ: Yeah, but they were fair. I think once you get above the pins on these greens you know what you're going to have.

They weren't out of control. I was above 13 and was able to lag it down there and close enough to get my par. So they weren't, I thought they were very fair.

## MIKE SAN FILIPPO

### **Q. How is the course playing today?**

MIKE SAN FILIPPO: Well, according to my score, I guess it was playing pretty tough. It wasn't really that bad. It seemed like it played a little faster. Driving the ball a little further than I was in the practice round. It's drying out, the wind is drying it out.

Just didn't play very good. I drove it great and didn't hit very good iron shots. My short game there. But hopefully tomorrow will be better. Bring it back.

### **Q. How do you think the weather affected play today?**

MIKE SAN FILIPPO: Well, the wind was pretty tough. It's swirling and blowing pretty hard. But no excuses. I think it still was better than playing in the rain in the morning.

### **Q. What are you going to do differently tomorrow?**

MIKE SAN FILIPPO: I'm not going to do anything differently. I'm going to get up, try to drive it in the fairway on 1 and birdie 1 and go from there. That's about all I can do.
