Suddenly low scores. Could this have been a major tournament? Reasonably cool, definitely comfortable atmosphere. Could this have been the PGA Championship?

The answer to both, apparently, was yes. The 98th PGA Championship at Medinah Country Club, on the outskirts of Chicago, was a big tournament like no other—except for one thing—tope Woods won it. Tiger won his 12th major, closing within as of Jack Nicklaus’ record. He won his second in a row, thanks to his victory in July in the British Open. And he extended his winning streak to three tournaments, when you throw in the British Open that was held two weeks before the showdown at Medinah.

Woods, you might remember, also won the 1999 PGA Championship at Medinah. That win, by just a one-stroke margin, came in a storm duel with Sergio Garcia. There was no similar battle at Medinah in 2006. Woods winning by four over Stewart Cink. Afterwoods, Woods posed the Wanamaker Trophy before the media who showed up to see the awards presentation. Then, he appeared genuinely surprised, and bespectacled, when Medinah made him an honorary member.

Woods, Medinah’s tournament chairman said, “And they’ll have locker rooms next to each other.”

There has been a long-time Medinah member as well as a big brother figure to Woods. Woods, who won the Western Open three times at nearby Cog Hill in Lemont, Ill., now has five wins in Chicago tournaments. He made even more friends in Medinah, as the

Stimulating huge crowds without ever declaring a winner. Medinah, with these 18-hole courses, can assimilate plenty of spectators, and stagger audiences, so they wouldn’t say how many, but declared there were “well over 200,000” during the course of the week. That’s a lot, and Medinah could have had more. As it was, there was to be heard again until the 2017 Ryder Cup.

Big crowds were expected early when the PGA of America’s pesticide policy had Woods and Phil Mickelson playing together during the first two rounds. The PGA traditionally pairs the winners of the Masters (Mickelson), U.S. Open (McGrath) and U.S. Open (McGill) golfers...
