Special Sunday “complimentary ticket” for the families of volunteers

In appreciation for your dedication in support and volunteering for the 2008 WGC CA Championship, your volunteer package will include one complimentary Sunday ticket.

This year, the WGC-CA Championship takes place on Easter, a day when many families traditionally get together, so we've created an opportunity for your family to participate with you in a special once-in-a-lifetime event.

We've planned a special Sunday morning program beginning with a short, non-denominational service at 7:00 am and featuring an inspirational message from one of the tour players. This will be followed by a brunch lasting until 11:30 am.

Each volunteer will receive one complimentary Sunday ticket that admits your spouse (or a guest) and your children ages 17 and younger. Please let us know how many members of your immediate family are coming so we can make adequate arrangements for brunch on this very special event. rsvp to: wgccavol@pgatour.com Please note that this "special event" is for you and members of your immediate family only.

We won't be doing this again until the year 2160, the next time Easter falls on the 23rd of March. Thanks again for your time and dedication!

Make sure you tell your recruits how to apply and to place your name in the "Recommended By" box. Go for it and introduce someone new to this wonderful WGC CA Championship Volunteer experience.

Fore! Ted was teeing off from the back tees. On his downswing, he suddenly realized that his wife, Marcie, was about to tee off from the red tees, directly in his path. Unable to stop his down swing he nailed the ball, hit Marcie directly in the right temple, killing her instantly. A few days later Teddy received a call from the coroner concerning her autopsy. "Teddy, your wife seems to have died from blunt force trauma to the head. You said you hit a golf ball and struck her in the temple. Is that correct?" "Yes sir," Teddy replied, 'that's correct.' "Well, Teddy, I also found a large bruise on Marcie's right hip. Do you know anything about that?" "Yes sir," Teddy said, "That would have been my mulligan."
