#### A CA VOLUNTEER

What is a responsible volunteer? Who are we responsible to? What are we responsible for? To be a good volunteer we must understand our responsibilities. Because we give of our time does not excuse us from completing our mission to assure players safety and security, along with spectator safety and enjoyment. We are giving our efforts to help support the Local Charities, while at the same time it provides us with an exciting opportunity to see golf at its best from the world's best. For some, our years of dedication and commitment continue to be filled with self reward. It allows us to meet and gain new and long lasting friendships. By exhibiting continued focus on our responsibilities it gives us the opportunity to grow with the tournament. Accept the challenge of a responsible volunteer and then have fun doing it! Thank you for your continued dedication and effort. It is this fantastic team that makes this tournament successful. I am looking forward to a spectacular 2008 event with all of you!

**YOUR LAST CHANCE** to win the 1st phase of the Plus 1 drawings. You only have a few days left to be included in the first prize drawing as the deadline is midnight Oct.1st 2007. Your name will be entered into a special drawing only for people who have submitted the name of a potential volunteer, use the attached form to enter. Once it has been established that the person has become a volunteer they will be entered into a drawing just for them, thereafter you will also be entered into a second drawing for each new prospect who becomes a volunteer for the 2008 event.

The PLUS 1 program is in full swing (no pun intended). Our goal is to have 1000 volunteers for the 2008 tournament. So if each one of us recruits just one person, not only would we reach our goal easier, it would make a significant impact for the players, spectators and all of the volunteers. We are ready to take immediate action in contacting the potential new volunteers to let them know they were highly recommended by you and that we are pleased to have the opportunity for them join us. We would like to thank all of you who have thus far submitted names in our early recruiting effort.

**DID YOU KNOW**-The World Golf Championships-CA Championship and The South Florida Golf Foundation will be donating over \$860,000.00 to Charities from the 2007 event. Your Volunteer time and talent have contributed to this overall effort.

#### According to St. Titleist

If a lot of people gripped a knife and fork as poorly as they do a golf club, they would starve to death. - Sam Snead

Man blames fate for all other accidents, but feels personally responsible when he makes a hole-in-one. - Bishop Sheen

It's good sportsmanship to not pick up lost golf balls while they are still rolling. - Mark Twain

#### Help Wanted: WE WANT YOU!

To be a part of our Tournament Ticket Sales Team. Our number one priority for the 2008 CA Championship is to increase tickets sales so we have HUGE crowds. We are looking for energetic men and women who help us this fall with ticket renewals calls and win cool prizes in the process. Please contact Melissa Korc if you want to join our all-star team and make a difference.
