

The 2010 World Golf Championship CA Championship Leadership Team would like to welcome you to the Best Volunteer Experience of a Lifetime.

Over the past Twenty some years I have watched volunteers become team mates. I have watched them bond and form lifetime friendships. I have seen them become co-workers as they joined one another in the professional world, helping to secure employment. I have seen volunteers laugh and I have seen them cry as one of their fellow volunteers goes to volunteer with the Lord. That is the only thing that keeps a true volunteer from returning year after year as I, and hundreds of you, have done. When you don't see me around, you'll know where I am.

You are the true volunteers who ask what can I do to be a bigger and better volunteer, not what do I get for volunteering. There are three things on my list of life's top priorities, accomplishments, and rewards. Loving my Wife and children, honoring my Parents and having served as a PGA Tour Volunteer. What a reward to be able to support the Charities of South Florida and develop the lifetime friendships that we do.

Each year that passes I ask myself, Can it get any better? And each year it most certainly does. I'm sure this year will be no exception. Our Leadership Team from the Directors down and the Championship Management Team are absolutely the finest, most experienced, group of individuals I have ever had the honor of working with. Each and every one of their objectives is to make sure the CA Championship is a success and your experience as a volunteer is the very best and most enjoyable it can be. You can be as proud of them as we are of you.

We have had many sponsors at the Doral venue, but none have exhibited or showcased the event like CA. CA has brought this event to the World Class level that goes along with the World Golf Championships bar of excellence. They support the volunteer effort and recognize the hours of time and work that the volunteers put in to make CA and the Tournament successful.

In closing I would just like to encourage you to share your volunteer experience with a friend or loved one. To quote one of my Directors "A friend doesn't let a friend volunteer alone". I have shared this experience by bringing a lot of you into the ranks of the volunteers. I want to thank you for joining me and I want to thank you all for your support and allowing me the honor of serving as your General Chairman.

Bob Dolan
