VIII. PGA TOUR MEMBERSHIP

The lowest 25 finishers and any tying for 25th position after the conclusion of play in the Final Qualifying Stage will be eligible for 2010 PGA TOUR membership, unless the PGA TOUR, in its sole discretion, elects not to award a membership based on other factors. NOTE: 1) Players finishing in the lowest 25 and ties who are under the age of 18 and players that do not become members are included in the lowest 25 and ties. 2) Players finishing in the lowest 25 and ties that finished in the top 25 on the 2009 Nationwide Tour money list are not included in the lowest 25 and ties. Ties among those earning PGA TOUR membership will be broken for the purpose of ranking (i.e., determining a Qualifying Tournament player's initial number on the 2010 eligibility list) by matching combined 5th and 6th round scores. Ties remaining after a match of combined 5th and 6th round scores will be broken by matching 18-hole scores from the contestants' last completed round on the Lakes Course or such course as designated by PGA TOUR. Ties remaining after a match of rounds will be broken by matching individual hole scores in descending order, beginning with the 18th hole from the contestants' last completed round on the Lakes Course or such course as designated by PGA TOUR. (PGA TOUR reserves the right to periodically reevaluate Qualifying Tournament members in 2010 and to reorder the ranking based on competitive performance during the 2010 season). If 5th and 6th rounds cannot be completed, the numbering would be consistent with Section X. C, Postponements and Cancellations; qualifying would revert back to the standings at the completion of the 4th round.

Access to PGA TOUR cosponsored tournaments is determined by a player's finish position at the PGA TOUR Qualifying Tournament and is subject to change as a result of the periodic reorder, which benefits those players who perform best. Listed below is the number of such cosponsored tournaments awarding official prize money that certain positions from the initial numbering and during the periodic renumbering were able to play in the last three years.

CATEGORY POSITION	NUMBER OF PGA TOUR TOURNAMENTS		
	2008	2007	2006
QT #1	30	30	35
QT #15	29	28	31
QT #25	27	28	29
QT Last Position	20	19	21

All top 25 finishers plus ties who have not been members of the PGA TOUR (or for the last five years, 2005-2009) MUST attend the New Member Orientation Meeting (December 7-8, 2009) immediately following the Qualifying Tournament. Additional new member programs will be held during the first quarter of the 2010 season. Failure to attend the New Member Orientation Meeting or other new member programs without authorization from the PGA TOUR may result in the loss of eligibility or other membership benefits, and could result in a disciplinary fine. For more information please contact the PGA TOUR Player Relations Department.

IX. NATIONWIDE TOUR MEMBERSHIP

Following the lowest 25 finishers and ties who earn 2010 PGA TOUR membership, the remainder of players in the Final Qualifying Stage will be eligible for Nationwide Tour membership, unless the PGA TOUR, in its sole discretion, elects not to award a membership based on other factors. The next number nearest 50 finishers will be eligible for a fully exempt 2010 Nationwide Tour membership. Should there be an equal number of finishers at different scores at equal intervals above and below 50th position; the higher number shall be used. All remaining players in the Final Qualifying Stage will be eligible for nonexempt 2010 Nationwide Tour membership. NOTE: 1) Players in the next number nearest 50 who are under the age of 18 and players that do not become members will not be removed from the next number nearest 50 for numbering purposes. 2) Players in the next number nearest 50 who finished in the top 25 on the 2009 Nationwide Tour official money list are not included in the next number nearest 50. Ties among those earning Nationwide Tour membership will be broken for the purpose of ranking (i.e., determining a player's initial number on the 2010 eligibility list) by matching combined 5th and 6th round scores. Ties remaining after a match of combined 5th and 6th round scores will be broken by matching 18-hole scores from the contestants' last completed round on the Lakes Course or such course as designated by PGA TOUR. Ties remaining after a match of rounds will be broken by matching individual hole scores in descending order, beginning with the 18th hole from the contestants' last completed round on the Lakes Course or such course as designated by PGA TOUR. If the 5th and 6th rounds cannot be completed, the numbering would be consistent with Section X. C. Postponements and Cancellations, qualifying would revert back to the standing at the completion of the 4th round. Access to Nationwide Tour cosponsored tournaments is determined initially by a player's finish position at the PGA TOUR Qualifying Tournament and is subject to change as a result of the periodic reorder, which benefits those players who perform best.

In accordance with Article III, Section A.1(e) of the Nationwide Tour Regulations, players who were fully-exempt PGA TOUR members for at least the preceding five consecutive calendar years will be eligible for a Nationwide Tour exemption in one of the first two years after the player fails to retain fully-exempt status on the PGA TOUR provided that he notifies the PGA TOUR no later than 10 days after the conclusion of the PGA TOUR Qualifying Tournament for the year preceding the season in which he desires to use this exemption. (A player may not use a Special Medical Extension in accumulating his five year total.) To be eligible for this exemption, the player must have entered and competed in the PGA TOUR Qualifying Tournament in the year preceding the season in which he desires to use this exemption. Any eligible player may use this exemption only one time in his career. For additional information regarding this exemption, please contact either the PGA TOUR or Nationwide Tour Membership Services Department.

First time Nationwide Tour members (exempt and conditional) are required to attend the Nationwide Tour New Member Orientation Program the day following the completion of the final round of the Qualifying Tournament. The orientation will be conducted over approximately ½ day and **attendance is mandatory**. Failure to attend may result in the loss of eligibility or other membership benefits, and could result in a disciplinary fine. Plan your schedule to allow for departure after the ½ day of orientation.
