Scissors are sharp! Be sure to have a grown-up help.

---

**NEW EPISODES WEEKDAYS AT 2/1c ON CN**
Stuff You’ll Need:
A pencil, pen, or crayon, some courage, and a sense of direction.

Mystery:
“Ruh-Roh!” Scooby-Doo has lost The Gang! Can you help him find them?

Here’s How:
Use your writing utensil to lead Scooby-Doo out of the maze. Avoid the monsters, if you find one, turn back, and find another way!
**Stuff You’ll Need:**
Regular paper and safety scissors. Don’t forget to ask a grown-up for help!

**Mystery:**
What's in your future?

**Here’s How:**

Step 1: Carefully using scissors, cut out the Mystery Catcher on the next page along the outside black lines.

Step 2: Starting face-down, fold the square in half so the corners meet, like a triangle, and crease firmly (2a, 2b).

Step 3: Unfold. Repeat step two so that the other corners meet (3).

Step 4: Unfold again. Now, fold all corners into the center (4a, 4b).

Step 5: Flip the square over (5).

Step 6: Fold all four corners into the center (6a, 6b).

Step 7: Fold in half horizontally and crease it. Fold it in half the other way and crease it again (7a, 7b).

Step 8: Place your thumb and forefinger from each hand into the pockets on the bottom of the Mystery Catcher (8a, 8b). Now you can play the game below!

**How to Play:**

To play with your Mystery Catcher, remember these 5 questions:

1. What member of The Gang are you most like?
2. What type of vehicle will you drive?
3. What type of villain are you most like?
4. What would you say if you found a clue?
5. What type of dog will you own in the future?

Have a friend pick a character (Scooby-Doo, Shaggy, Fred, or Velma) from the top of the Mystery Catcher. Then, ask them one of the five questions above. To unravel the answer, spell the character’s name, shifting your fingers within the mystery catcher once for each letter. Stop on the last letter with the Mystery Catcher open and have your friend choose a number. Count out the number shifting your fingers again. Once you’ve counted to the number, have your friend choose a new number and lift up the flap - there’s your answer!

You can repeat until you’ve answered all five questions or make up questions of your own! Pass the Mystery Catcher to your friend and the fun begins again!
